Hi Bradley,

We voted unanimously to support of Urban Green-Flywheel-Upwell Coalitions. I had three volunteers from the community verify these results with Christa and I.

21 votes for #1

6 votes for #3 with following comments:

- Parking (can we look at adding some parking)
- Community Center space
- Restaurant (not a bar)
- Have at least one unit that is 0-30% AMI
- Have exterior building fit in with look of neighborhood

Best,

David
